Subject Index

- Accidents, agriculture, countermeasures, food-chain, radioactivity, 31
- Accidental release, agriculture, countermeasures, foodstuffs, deposition, 21
- Agricultural countermeasures, strategies, economic impact, social impact, 1
- Agriculture, accidents, countermeasures, food-chain, radioactivity, 31
- Agriculture, accidental release, countermeasures, foodstuffs, deposition, 21
- Agriculture, Chernobyl accident, caesium-137, radioactive contamination, counter-measures, 9
- Agriculture, countermeasures, radioecology, animals, metabolism, 205
- Agriculture, radionuclides, countermeasures, land use, crops, 169
- Amelioration, countermeasures, forage, fertilizer, Chernobyl accident, sapropell, 183
- Animal products, radionuclide, contamination, countermeasures, radiocaesium, radiosttrontium, radioiodine 261
- Animal products, radionuclide transfer, chemical countermeasures, radioecology, 235
- Animals, countermeasures, radioecology, metabolism, agriculture, 205
- Animals, radionuclides, food, radiation protection, 227
- Caesium-137, Chernobyl, strontium-90, speciation, transformation, countermeasures, 147
- Caesium-137, Chernobyl accident, agriculture, radioactive contamination, counter-measures, 9
- Chemical countermeasures, radionuclide transfer, radioecology, animal products, 235
- Chernobyl, countermeasures, forest, radiation doses, intervention levels, 307
- Chernobyl, decontamination, mechanical/physical waste management, 49
- Chernobyl, radiation protection, countermeasures, forest management, 289
- Chernobyl, strontium-90, caesium-137, speciation, transformation, countermeasures, 147
- Chernobyl accident, agriculture, caesium-137, radioactive contamination, counter-measures, 9
- Chernobyl accident, countermeasures, forage, amelioration, fertilizer, sapropell, 183
- Clean feeding, radiocaesium, countermeasures, milk, meat, 199
- Clean-feeding, management countermeasures, ruminants, semi-natural ecosystems, radio-caesium, 249
- Contamination, radionuclide, animal products, countermeasures, radiocaesium, radiosttrontium, radioiodine, 261
- Counter-measures, Chernobyl accident, agriculture, caesium-137, radioactive contamination, 9
- Countermeasures, accidents, agriculture, food-chain, radioactivity, 31
- Countermeasure, radiocaesium, radiosttrontium, plants, transfer, 81
- Countermeasures, agriculture, accidental release, foodstuffs, deposition, 21
- Countermeasures, Chernobyl, radiation protection, forest management, 289
- Countermeasures, Chernobyl, strontium-90, caesium-137, speciation, transformation, 147
- Countermeasures, forage, amelioration, fertilizer, Chernobyl accident, sapropell, 183
- Countermeasures, forest, radiation doses, intervention levels, Chernobyl, 307
- Countermeasures, forest ecosystems, radionuclides, transfer, decontamination, 273
- Countermeasures, genotypic variation, observed ratio, radiocaesium, radionuclide, 135
- Countermeasures, radiocaesium, radiosttrontium, ion competition, 119
- Countermeasures, radiocaesium, radiosttrontium, soil, plants, 173
- Countermeasures, radiocaesium, radiosttrontium, soil-liquid equilibria, soils, 99
- Countermeasures, radiocaesium, milk, meat, clean feeding, 199
- Countermeasures, radioecology, animals, metabolism, agriculture, 205
- Countermeasures, radionuclide, contamination, animal products, radiocaesium, radiosttrontium, radioiodine, 261
- Countermeasures, radionuclides, land use, crops, agriculture, 169
- Crops, radionuclides, countermeasures, land use, agriculture, 169

- Decontamination, Chernobyl, mechanical/physical waste management, 49
- Decontamination, countermeasures, forest ecosystems, radionuclides, transfer, 273
- Decontamination, soil, plant, transfer, radionuclide, 163
- Deposition, agriculture, accidental release, countermeasures, foodstuffs, 21
- Economic impact, agricultural countermeasures, strategies, social impact, 1
- Environment, restoration, nuclear accident, soil, trees, 65
- Fertilizer, countermeasures, forage, amelioration, Chernobyl accident, sapropell, 183
- Food, radionuclides, animals, radiation protection, 227
- Food-chain, accidents, agriculture, countermeasures, radioactivity, 31
- Foodstuffs, agriculture, accidental release, countermeasures, deposition, 21
- Forage, countermeasures, amelioration, fertilizer, Chernobyl accident, sapropell, 183
- Forest, countermeasures, radiation doses, intervention levels, Chernobyl, 307
- Forest ecosystems, countermeasures, radionuclides, transfer, decontamination, 273
- Forest management, Chernobyl, radiation protection, countermeasures, 289
- Genotypic variation, countermeasures, observed ratio, radiocaesium, radionuclide, 135
- Intervention levels, countermeasures, forest, radiation doses, Chernobyl, 307
- Ion competition, radiocaesium, radiostrontium, countermeasures, 119
- Land use, radionuclides, countermeasures, crops, agriculture, 169
- Management countermeasures, ruminants, semi-natural ecosystems, radiocaesium, clean-feeding, 249
- Meat, radiocaesium, countermeasures, milk, clean feeding, 199
- Mechanical/physical waste management, decontamination, Chernobyl, 49
- Metabolism, countermeasures, radioecology, animals, agriculture, 205
- Milk, radiocaesium, countermeasures, meat, clean feeding, 199
- Nuclear accident, environment, restoration, soil, trees, 65
- Observed ratio, countermeasures, genotypic variation, radiocaesium, radionuclide, 135
- Plant, soil, transfer, decontamination, radionuclide, 163
- Plants, radiocaesium, radiostrontium, countermeasures, soil, 173
- Plants, radiocaesium, radiostrontium, transfer, countermeasure, 81
- Radiation doses, countermeasures, forest, intervention levels, Chernobyl, 307
- Radiation protection, Chernobyl, countermeasures, forest management, 289
- Radiation protection, radionuclides, animals, food, 227
- Radioactive contamination, Chernobyl accident, agriculture, caesium-137, countermeasures, 9
- Radioactivity, accidents, agriculture, countermeasures, food-chain, 31
- Radiocaesium, countermeasures, genotypic variation, observed ratio, radionuclide, 135
- Radiocaesium, management countermeasures, ruminants, semi-natural ecosystems, clean-feeding, 249
- Radiocaesium, radiostrontium, countermeasures, ion competition, 119
- Radiocaesium, radiostrontium, countermeasures, soil, plants, 173
- Radiocaesium, radiostrontium, plants, transfer, countermeasure, 81
- Radiocaesium, radiostrontium, soil-liquid equilibria, soils, countermeasures, 99
- Radiocaesium, countermeasures, milk, meat, clean feeding, 199
- Radiocaesium, radionuclide, contamination, animal products, countermeasures, radiostrontium, radioiodine, 261
- Radioecology, countermeasures, animals, metabolism, agriculture, 205
- Radioecology, radionuclide transfer, chemical countermeasures, animal products, 235
- Radioiodine, radionuclide, contamination, animal products, countermeasures, radiocaesium, radiostrontium, 261
- Radionuclide, contamination, animal products, countermeasures, radiocaesium, radiostrontium, radioiodine, 261
- Radionuclide, countermeasures, genotypic variation, observed ratio, radiocaesium, 135
- Radionuclide, soil, plant, transfer, decontamination, 163
- Radionuclide transfer, chemical countermeasures, radioecology, animal products, 235
- Radionuclides, animals, food, radiation protection, 227

- Radionuclides, countermeasures, forest ecosystems, transfer, decontamination, 273
- Radionuclides, countermeasures, land use, crops, agriculture, 169
- Radiosttrontium, radiocaesium, countermeasures, ion competition, 119
- Radiosttrontium, radiocaesium, countermeasures, soil, plants, 173
- Radiosttrontium, radiocaesium, plants, transfer, countermeasure, 81
- Radiosttrontium, radiocaesium, soild-liquid equilibria, soils, countermeasures, 99
- Radiosttrontium, radionuclide, contamination, animal products, countermeasures, radiocaesium, radioiodine a
- Restoration, environment, nuclear accident, soil, trees, 65
- Ruminants, management countermeasures, semi-natural ecosystems, radiocaesium, clean-feeding, 249
- Sapropell, countermeasures, forage, amelioration, fertilizer, Chernobyl accident, 183
- Semi-natural ecosystems, management countermeasures, ruminants, radiocaesium, clean-feeding, 249
- Social impact, agricultural countermeasures, strategies, economic impact, 1
- Soil, environment, restoration, nuclear accident, trees, 65
- Soil, plant, transfer, decontamination, radionuclide, 163
- Soil, radiocaesium, radiosttrontium, countermeasures, plants, 173
- Soild-liquid equilibria, radiocaesium, radiosttrontium, soils, countermeasures, 99
- Soils, radiocaesium, radiosttrontium, soild-liquid equilibria, countermeasures, 99
- Speciation, Chernobyl, strontium-90, caesium-137, transformation, countermeasures, 147
- Strategies, agricultural countermeasures, economic impact, social impact, 1
- Strontium-90, Chernobyl, caesium-137, speciation, transformation, countermeasures, 147
- Transfer, countermeasures, forest ecosystems, radionuclides, decontamination, 273
- Transfer, radiocaesium, radiosttrontium, plants, countermeasure, 81
- Transfer, soil, plant, decontamination, radionuclide, 163
- Transformation, Chernobyl, strontium-90, caesium-137, speciation, countermeasures, 147
- Trees, environment, restoration, nuclear accident, soil, 65
